LUCKY BLOW WING Ridley Wikinson

gave Joe Tinker's Tigers, champions of the Florida State League, a victory over the Pals in yesterday afternoon's encounter. Hunter polled one over the short center field fence winning what up to that sad moment had been a sterile contest by a score of I to 0.

The all-stars, the pick of the Florida State League, played a dashing game, but Barstow's pitching and ateady fielding by the Pals, some especialy brilliant work by Holden and Thomas, cut down the slugging outhas simply walked through state organization. Barstow pitched a superb game, giving up only three hits, but Schreiber was also in rare form, allowing the Pals only one bingle, that in the ninth when many believe Holden's hit to center went through the fence and a substitute ball which the fielder happened to have in his pocket was thrown in. Thiss would have made the game a tie. Policeman Green found what he says was the ball Holden hit, outside the grounds

Schreiber pitched for revenge He was hammered to all corners of the lot in the game he pitched here for Fort Meade, and he asked permission to come back at the Pals. He had everything, and it was a royal battle between him and Barstow.

The fieldning of the local club was much more brilliant than that of the 25 KILLED IN A TRAIN Matthews' running "caten" off Zimmerman in the sixth was sensational. Only one Tiger attempted to steal second on Larzo and then the Senor cut him down ten feet from the bag. Not an error was charged to express train running from Starrasthe locals while the Tinkerites committed three. Ernie Burke, who is personally confucting the year of the Tigers said that the Pals represent about the best thing he has been up against this season, as the club carried by the Tigers is stronger the was the regular league club as Orlando the entire league has been picked Palatka over for talent. From Palatka the Tigers go to St. Augustine to try is with the Saints, Score rino and Newton
